Logging and Cookies

When you browse our website, the following information about your visit is collected and stored: the computer’s Internet Protocol (IP) address (a number automatically assigned to your computer when you access the Internet); the domain from which you access the Internet (for example: aol.com, for an America Online account), the website address from which you came to our site (for example: www.google.com, if you came by clicking a link from a Google search); the date and time you arrived at our site and how long you spent here;

the name and version of your computer's operating system and browser
Example: Windows 7/Internet Explorer 8.0; the pages you visited.

We also use "cookies" on this site. A cookie is a piece of data stored on a site visitor's hard drive to help us further determine usage of our site and sources of site traffic, improve access to our site and identify repeat visitors.

Links

This website may contain links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites.

Please note these Eco Pure policies are intended only as guides for small businesses taking limited contact information for the purposes of interacting with potential customers. Businesses transacting online commerce and using more sophisticated tracking or information sharing require unique policies clearly explaining the uses of data, cookies, how the data is protected and shared and any other disclosure required to build transparency with the public about the data collection and use practices of the business.
